Dear Veterinarian,

Pet Poison HELPLINE™ (PPH) is a 24-hour service available to pet owners and veterinary professionals who have questions or would like assistance with treating a potentially poisoned pet. Pet Poison HELPLINE™ is staffed with veterinary health professionals and clinical toxicologists with more than 28 years of experience and expertise in the management of pets exposed to potentially dangerous substances such as pesticides, household chemicals, drugs and plants.

Pet Poison HELPLINE™ provides:

-  **24/7 access.** Our veterinary professionals and clinical toxicologists have extensive backgrounds and training in veterinary medicine, internal medicine, emergency critical care and clinical toxicology.
-  **Experience.** Our staff has been responsible for the management of over 500,000 cases involving pet poisonings.
-  **Cost effective.** We're the most cost-effective pet poison control center!
-  **Treatment advice for ALL varieties of pets.** We manage canine and feline poisonings, as well as cases of poisonings involving avian, small mammal, large animal and exotic species.

There is a \$35 consultation fee payable by credit card, which includes initial consultation plus all follow-up contacts involving the treated animal (other hotlines charge \$65 per consultation). At your discretion, you may charge this fee back to your client to cover the cost of the call, or just advise them to call us from the initial start.

For questions or to learn more about Pet Poison HELPLINE™, please call 866.823.1588 or email us at info@petpoisonhelpline.com.

Best Regards,

The Team at Pet Poison HELPLINE™
